CLASS ACTION

**NOTICE OF CLASS ACTION SETTLEMENT AND FAIRNESS HEARING**

**Your rights might be affected if you are a member of the following class:**

All participants and beneficiaries of the Takeda Pharmaceutical U.S.A. Inc. Savings and Retirement Plan (“Plan”) from January 19, 2015, through September 30, 2022, excluding the Defendants.

**IF YOU HAVE ANY OBJECTION TO THE SETTLEMENT DESCRIBED IN THIS NOTICE, YOU HAVE UNTIL FEBRUARY 21, 2023 TO FILE YOUR WRITTEN OBJECTION WITH THE COURT.**

**PLEASE READ THIS SETTLEMENT NOTICE CAREFULLY.**

The Court has given its preliminary approval to a proposed settlement (the “Settlement”) of a class action lawsuit brought by certain participants in the Plan alleging violations of the Employee Retirement Income Security Act (“ERISA”). The Settlement will provide for the allocation of monies directly into the individual accounts of the Settlement Class who had Plan accounts during the Class Period with a balance greater than \$0 as of September 30, 2022 (“Current Participants”). Class Members who are entitled to a distribution but who no longer had a Plan account with a balance greater than \$0 as of September 30, 2022 (“Former Participants”) will receive their allocation in the form of a check mailed to their last known address or a rollover, if elected.

The terms and conditions of the Settlement are set forth in the Settlement Agreement dated November 14, 2022. Capitalized terms used in this Settlement Notice but not defined in this Settlement Notice have the meanings assigned to them in the Settlement Agreement. The Settlement Agreement is available at <https://takeda401ksettlement.com>. Any amendments to the Settlement Agreement or any other settlement documents will be posted on this website. You should visit that website if you would like more information about the Settlement and any subsequent amendments to the Settlement Agreement or other changes, including changes to the Plan of Allocation, the date, time, or location of the Fairness Hearing, or other Court orders concerning the Settlement.

Your rights and options — and the deadlines to exercise them — are explained in this Settlement Notice.

Only if the Court gives final approval to the Settlement, and only if that approval is upheld in the event of an appeal, will payments under the Settlement be made.

A hearing on the final approval of the Settlement and for approval of the Class Representatives’ petition for Attorneys’ Fees and Costs and for Class Representatives’ Compensation will take place on **March 23, 2023, at 2:00 p.m.**, before United States District Court Judge William G. Young in John Joseph Moakley U.S. Courthouse, 1 Courthouse Way, Suite 2300, Courtroom 18, Boston, MA 02210.

Any objections to the Settlement, to the petition for Attorneys' Fees and Costs, or to Class Representatives' Compensation must be served in writing on Class Counsel and Defendants' Counsel, as identified on page 7 of this Settlement Notice.

Further information regarding the litigation, the Settlement, and this Settlement Notice, including any changes to the terms of the Settlement and all orders of the Court regarding the Settlement, may be obtained at <https://takeda401ksettlement.com>.

**According to the Plan's records, you are a Current Participant. If you believe instead that you meet the definition of a Former Participant, please contact the Settlement Administrator. Current Participants include both participants who are current employees and participants who are no longer employed by Takeda Pharmaceuticals U.S.A, Inc. but continue to have an account balance in the Plan.**

**YOUR LEGAL RIGHTS AND OPTIONS UNDER THE SETTLEMENT:**

<p><b>OUR RECORDS INDICATE THAT YOU ARE A CURRENT PARTICIPANT. YOU DO NOT NEED TO DO ANYTHING TO PARTICIPATE IN THE SETTLEMENT</b></p>	<p><u>Our records indicate that you are a Current Participant because you had an account balance in the Plan as of September 30, 2022.</u> If, however, you are a Former Participant who participated in the Plan during the Class Period and did not have a balance greater than \$0 as of September 30, 2022, or are the beneficiary, alternate payee, or attorney-in-fact of such a person, then, unlike a Current Participant, you must return a Former Participant Claim Form that is postmarked or electronically filed by <b>March 13, 2023</b> to receive a check for your share of the Net Settlement Amount. If you are a Former Participant, and you do not return the Former Participant Claim Form that is postmarked or electronically filed by <b>March 13, 2023</b>, you will forfeit your share of the Net Settlement Amount. We have not included a claim form in your notice because Current Participants do not need to submit a claim form. However, if you believe you are a Former Participant, a claim form may be obtained by accessing <a href="https://takeda401ksettlement.com">https://takeda401ksettlement.com</a>.</p>
<p><b>YOU CAN OBJECT (NO LATER THAN FEBRUARY 21, 2023)</b></p>	<p>If you wish to object to any part of the Settlement, you may (as discussed below) write to the Court and counsel about why you object to the Settlement. The Court has authorized the parties to seek information through discovery from any person who files an objection, which means you could be required to produce documents and appear at a deposition to be interviewed and asked questions.</p>
<p><b>YOU CAN ATTEND A HEARING ON MARCH 23, 2023</b></p>	<p>If you submit a written objection to the Settlement to the Court and counsel before the deadline, you may attend the hearing about the Settlement and present your objections to the Court. You may attend the hearing even if you do not file a written objection, but you will not be permitted to address the Court at the hearing if you do not notify the Court and counsel by <b>February 21, 2023</b>, of your intention to appear at the hearing.</p>

**The Class Action**

The case is called *Ford, et al. v. Takeda Pharmaceuticals U.S.A., Inc., et al.*, No. 21-cv-10090 (D. Mass.) (the "Class Action"). The Court supervising the case is the United States District Court for the District of Massachusetts. The individuals who brought this suit are called Class Representatives, and the entities they sued are called the Defendants. The Class Representatives are current and former participants in the Plan. The Defendants are Takeda Pharmaceuticals U.S.A, Inc. and certain affiliates and individuals. The Class Representatives' claims are described below, and additional information about them is available at <https://takeda401ksettlement.com>.

## **The Settlement**

The Settlement was reached on September 13, 2022. Class Counsel filed this action on January 19, 2021. Since the time the case was filed, Class Counsel devoted substantial time and effort to review and analyze tens of thousands of pages of documents produced by Defendants and hundreds of thousands of pages of other documents to support their underlying claims. The Settling Parties engaged in substantial settlement discussions with multiple mediators. Only after extensive arm's-length negotiations were the Settling Parties able to agree to the terms of the Settlement.

Under the Settlement, a Qualified Settlement Fund of \$22,000,000 will be established to resolve the Class Action. The Net Settlement Amount is \$22,000,000 minus any Administrative Expenses, taxes, tax expenses, Court-approved Attorneys' Fees and Costs, Class Representatives' Compensation, and other approved expenses of the litigation.

The Net Settlement Amount will be allocated to Class Members according to a Plan of Allocation to be approved by the Court. Class Members fall into two categories: Current Participants and Former Participants. Allocations to Current Participants who are entitled to a distribution under the Plan of Allocation will be made into their existing accounts in the Plan(s). Former Participants who are entitled to a distribution will receive their distribution as a check mailed to their last known address or, if they elect, as a rollover to a qualified retirement account.

## **Additional Provisions in the Settlement**

The Settlement further provides the following additional terms for a Settlement Period of three years from the Settlement Effective Date:

- (1) During the Settlement Period, the Committee shall meet as often as is necessary to fulfill its fiduciary duties, but no less than quarterly.
- (2) During the Settlement Period, Defendants shall continue to provide annual training to Plan fiduciaries regarding their fiduciary duties under ERISA.
- (3) During the Settlement Period, Defendants shall retain or continue to retain an independent consultant pursuant to ERISA § 3(21) to provide ongoing assistance in reviewing the Plan's investment options.
- (4) During the Settlement Period, in considering the Plan's investment options, Defendants shall consider (1) the cost of different share classes available for the particular investment option as well as other criteria applicable to different share classes; (2) the availability of revenue sharing on any share class available for any particular investment option; and (3) other factors that Defendants deem appropriate under the circumstances.
- (5) Before the expiration of the Settlement Period, Defendants, through the use of the Plan's consultant shall initiate a request for information ("RFI") for recordkeeping and administrative services. The RFI will be conducted by a knowledgeable consultant and discloses the identity of the Plan along with pertinent details about the Plan and its participants, soliciting bids from at least three competent vendors. The bids will be formally evaluated by the consultant and the Plan fiduciaries. Within sixty (60) days after the conclusion of the RFI, Defense Counsel on behalf of Defendants shall notify Class Counsel by e-mail that Defendants have completed the RFI and briefly describe the outcome of their decision related to the Plan's expenses for recordkeeping and administrative services.
- (6) Within thirty (30) calendar days after the end of each year of the Settlement Period, and within thirty (30) calendar days after the conclusion of the Settlement Period, Defendants will provide Class Counsel with the following information current as of the end of the most recent calendar quarter: a list of the Plan's investment options, the fees for those investment alternatives, and a copy of the Investment Policy Statement(s) (if any) for the Plan.

## **Release**

All Class Members and anyone making a claim on their behalf will fully release the Plan as well as all Defendants and other "Released Parties" from "Released Claims." The Released Parties include (a) Takeda Pharmaceuticals U.S.A., Inc., the Executive Compensation Committee, the Benefit Investment and Administration Committee, and the US Investment Committee; (b) their insurers, co-insurers, and reinsurers; (c) their past, present, and future parent corporation(s); (d) their past, present, and future affiliates, subsidiaries, divisions, joint ventures, predecessors, successors, successors-in-interest, and assigns; (e) their past, present, and future agents, officers, employees, trustees, boards of trustees, members of their

board of trustees, independent contractors, representatives, attorneys, administrators, fiduciaries, accountants, auditors, advisors, consultants, personal representatives, spouses, heirs, executors, administrators, associates, employee benefit plan fiduciaries (with the exception of the Independent Fiduciary), employee benefit plan administrators, service providers to the Plan (including their owners and employees), members of their immediate families, consultants, subcontractors, and all persons acting under, by, through, or in concert with any of them; and (f) the Plan and the Plan's fiduciaries, administrators, plan administrators, recordkeepers, service providers, consultants, and parties-in-interest.

The Released Claims include all claims that were asserted or might have been asserted in the Class Action and all claims relating to the implementation of the Settlement.

This is only a summary of the Released Claims and not a binding description of the Released Claims. The actual governing release is found within the Settlement Agreement at <https://takeda401ksettlement.com>. Generally, the release means that Class Members will not have the right to sue Defendants, the Plan, or the Released Parties for conduct arising out of or relating to the allegations in the Class Action.

This is only a summary of the Settlement. The entire Settlement Agreement is at <https://takeda401ksettlement.com>.

### **Statement of Attorneys' Fees and Costs Sought in the Class Action**

Class Counsel has devoted many hours investigating potential claims, bringing this case, and handling it. Class Counsel reviewed thousands of pages of documents produced in this case and, prior to filing this action, analyzed thousands of pages of publicly filed documents, including those filed with the Department of Labor, to support their claims. Class Counsel took the entire risk of litigation and has not been paid for any of their time or for any of their costs incurred in bringing this action. Class Counsel has also agreed: (1) to undertake the additional risk of paying half of the costs of the settlement process if the Settlement is not approved; (2) to monitor for three years compliance with the Settlement Agreement; (3) to enforce the Settlement Agreement in accordance with its terms; and (4) to do (1)-(3) without additional pay.

Class Counsel will apply to the Court for payment of Attorneys' Fees and Costs for their work in the case. The amount of fees (not including costs) that Class Counsel will request will not exceed one-third of the Settlement Amount, \$7,333,333, in addition to no more than \$100,000 in litigation costs. Class Counsel will not seek to receive any interest earned by the Qualified Settlement Fund, which will be added to the amount received by the Class. Any Attorneys' Fees and Costs awarded by the Court to Class Counsel will be paid from the Qualified Settlement Fund and must be approved by the Court.

As is customary in class action cases, in which the Class Representatives have spent time and effort on the litigation, Class Counsel also will ask the Court to approve payments, not to exceed \$15,000 each, for two Class Representatives who took on the risk of litigation, devoted considerable time, and committed to spend the time necessary to bring the case to conclusion. Their activities also included assisting in the factual investigation of the case by Class Counsel and providing information for the case. Any Class Representatives' Compensation awarded by the Court will be paid from the Qualified Settlement Fund.

A full application for Attorneys' Fees and Costs and for Class Representatives' Compensation will be filed with the Court and made available on the Settlement Website, <https://takeda401ksettlement.com>.

## **1. Why Did I Receive This Settlement Notice?**

The Court caused this Settlement Notice to be sent to you because the Plan's records indicate that you may be a Class Member. If you fall within the definition of the Class, you have a right to know about the Settlement and about all of the options available to you before the Court decides whether to give its final approval to the Settlement. If the Court approves the Settlement, and after any objections and appeals, if any, are resolved, the Net Settlement Amount will be allocated among Class Members according to a Court-approved Plan of Allocation.

## **2. What Is The Class Action About?**

In the Class Action, Class Representatives claim that, during the Class Period, Defendants violated the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended, 29 U.S.C. §1001, *et seq.*, with respect to its management, operation, and administration of the Plan, including allowing excessive fees and imprudent investments in the Plan.

Defendants have denied and continue to deny the claims and contentions of the Class Representatives, that they are liable at all to the Class, and that the Class or the Plan has suffered any harm or damage for which Defendants could or should be

held responsible. Defendants contend that they acted prudently and in keeping with their fiduciary responsibilities under ERISA, and in the best interests of the Plan's participants.

### 3. Why Is There A Settlement?

The Court has not reached a final decision as to the Class Representatives' claims. Instead, the Class Representatives and Defendants have agreed to the Settlement. The Settlement is the product of extensive negotiations between Class Counsel and Defendants' counsel. The parties to the Settlement have taken into account the uncertainty and risks of litigation and have concluded that it is desirable to settle on the terms and conditions set forth in the Settlement Agreement. The Class Representatives and Class Counsel, who are highly experienced in this kind of matter, believe that the Settlement is best for all Class Members.

### 4. How Much Will My Distribution Be?

The amount, if any, that will be allocated to you will be based upon records maintained by the Plan's recordkeeper(s), or, if on September 30, 2022, you either no longer had a Plan account or had a Plan account with no money in it, based upon your Former Participant Claim Form. Calculations regarding the individual distributions will be performed by the Settlement Administrator, whose determinations will be final and binding, pursuant to the Court-approved Plan of Allocation.

To be eligible for a distribution from the Net Settlement Amount, you must either be a (1) "Current Participant" as defined on page 1, or (2) an "Authorized Former Participant" (a "Former Participant" as defined on page 1 who submitted a completed, satisfactory Former Participant Claim Form that is postmarked by the deadline), or (3) a beneficiary, alternate payee, or attorney-in-fact of persons identified in (1) or (2).

The Plan of Allocation will allocate the Net Settlement Fund among Current and Authorized Former Participants as follows:

- A. The Authorized Former Participants and Current Participants will be separated into three categories: (a) those who invested in the Northern Trust Focus Funds (target date funds); (b) those who invested in Northern Trust index funds (non-target date funds); (c) all others.
- B. After taking account of the De Minimis Amounts (as described below), those in category (a) will receive 80% of the Net Settlement Amount; those in category (b) will receive 10% of the Net Settlement Amount; and those in category (c) will receive 10% of the Net Settlement Amount.
- C. Within each category, the allotted percentage of the Net Settlement Amount will be divided using the following method:
  1. The end-of-quarter balances for the Class Period of each Current Participant and each Authorized Former Participant are identified for each quarter;
  2. All end-of-quarter balances identified in step 1 are summed together for each Current Participant and each Authorized Former Participant;
  3. An average end-of-quarter balance for each Current Participant and each Authorized Former Participant is calculated for the Class Period (with a zero included as the balance for any quarter during which the individual did not participate in the Plan);
  4. For each Current Participant and each Authorized Former Participant, the average end-of-quarter balance of step 3 is divided by the average end-of-quarter balance for the Class Period of all Current and Authorized Former Participants;
  5. Each Current Participant and each Authorized Former Participant will receive a fraction of the total Net Settlement amount assigned to their respective category.
- D. Class Members who are entitled to a distribution of less than ten dollars (\$10.00) will receive a payment of \$10.00 (the "De Minimis Amount") from the Net Settlement Amount. The Settlement Administrator shall progressively increase Class Members' awards falling below the De Minimis Amount until the lowest participating Class Member award is the De Minimis Amount, *i.e.*, ten dollars (\$10.00). The resulting calculation shall be known as the "Final Entitlement Amount" for each Class Member.

There are approximately 49,000 Class Members.

Note that if you are an alternate payee pursuant to a Qualified Domestic Relations Order, you will receive payment by check if and to the extent you are entitled to receive a portion of a Current Participant's or Authorized Former Participant's allocation under the Settlement Agreement in accordance with the plan of allocation as if you are a Current Participant or Authorized Former Participant.

## 5. How Can I Receive My Distribution?

Whether you need to submit a claim form to receive your distribution depends on whether you are considered a "Current Participant" or a "Former Participant." **According to the Plan's records, you are a Current Participant. Therefore, if this is correct, you do not need to do anything to receive your share of the Settlement.**

## 6. When Will I Receive My Distribution?

The timing of the distribution of the Net Settlement Amount depends on several matters, including the Court's final approval of the Settlement and that approval becoming final and no longer subject to any appeals in any court. An appeal of the final approval may take several years. If the Settlement is approved by the Court, and there are no appeals, the Settlement distribution likely will occur in mid-year 2023.

**There Will Be No Payments Under The Settlement If The Settlement Agreement Is Terminated.**

## 7. Can I Get Out Of The Settlement?

No. The Class was certified under Federal Rule of Civil Procedure 23(b)(1). Therefore, as a Class Member, you are bound by any judgments or orders that are entered in the Class Action for all claims that were asserted in the Class Action or are otherwise included as Released Claims under the Settlement.

## 8. Do I Have A Lawyer In The Case?

The Court has appointed the law firm Schlichter, Bogard & Denton, in St. Louis, Missouri, as Class Counsel. If you want to be represented by your own lawyer, you may hire one at your own expense.

## 9. How Will The Lawyers Be Paid?

Class Counsel will file a petition for the award of Attorneys' Fees and Costs. This petition will be considered at the Fairness Hearing. Class Counsel has agreed to limit their application for an award of Attorneys' Fees and Costs to not more than \$7,333,333 in fees and \$100,000 in costs and Class Counsel will also monitor compliance with the Settlement for three years without charge and has committed to bring an enforcement action, if needed, to enforce the Settlement, also with no charge. The Court will determine what fees and costs will be approved.

## 10. How Do I Tell The Court If I Don't Like The Settlement?

If you are a Class Member, you can tell the Court that you do not agree with the Settlement or some part of it. To object, you must send the Court a written statement that you object to the Settlement in *Ford, et al. v. Takeda Pharmaceuticals U.S.A., Inc., et al.*, No. 21-cv-10090 (D. Mass.). Be sure to include your name, address, telephone number, signature, and a full explanation of why you object to the Settlement. Your written objection must be received by the Court no later than **February 21, 2023**. The Court's address is United States District Court for the District of Massachusetts, John Joseph Moakley U.S. Courthouse, 1 Courthouse Way, Suite 2300, Courtroom 18, Boston, MA 02210. Your written objection also must be mailed to the lawyers listed below, **no later than February 21, 2023**. Please note that the Court's Order Granting Preliminary Approval of this Settlement provides that any party to the litigation may, but is not required to, serve discovery requests, including requests for documents and notice of deposition not to exceed two hours in length, on any objector. Any responses to discovery, or any depositions, must be completed within ten days of the request being served to the objector.

### 11. When and Where Will the Court Decide Whether to Approve the Settlement?

After the Fairness Hearing, the Court will decide whether to give its final approval to the Settlement. The Court also will consider the petition for Class Counsel's Attorneys' Fees and Costs and any Class Representatives' Compensation.

### 12. Do I Have To Attend The Fairness Hearing?

No, but you are welcome to come at your own expense. If you send an objection, you do not have to come to the Court to talk about it. **If you are a "Current Participant" as defined on page 1, and do nothing, you will participate in the Settlement of the Class Action as described above in this Settlement Notice if the Settlement is approved. According to the Plan's records, you are a Current Participant.**

If you are a "Former Participant" as defined on page 1, and you do nothing, you will be bound by the Settlement of the Class Action as described above in this Settlement Notice if the Settlement is finally approved, **BUT YOU WILL NOT RECEIVE ANY MONEY UNLESS YOU SUBMIT A FORMER PARTICIPANT CLAIM FORM.**
